Office Note.

Letter No.32 dated 6th July 1901 from the President of the Municipalities in the Kolar Distt.

With this office Endorsement No.5910-20/Mis.1780 dated 21st November 1899 a letter from the Reporter on Economic Products to the Government of India was forwarded to the Deputy Commissioners of Dist stating that contributions to the Economic Gallery of the Indian Museum at Calcutta of commercial products and manufactures from local merchants and manufacturers would be very acceptable.

With his letter No.3206/674 dated 30th March 1900, the Deputy Commissioner of Kolar forwarded certain samples of cotton checks manufactured in certain villages of the Srinivaspur Taluk and stated that as regards these and other manufactures the workmen required to be paid in advance before preparing the articles for the Museum.

In reply the Deputy Commissioner was informed in this Office docket No.9986/Mis.2798 dated [illegible]

7th February 1901 that what was required was that local merchants and manufacturers should be encouraged and induced to send to the Museum contributions which would be shown in their own names and which would therefore serve as useful advertisements.

The Deputy Commissioner of Kolar now states that the Municipal Board of the Kolar Town have passed a Resolution agreeing to pay Rs.10 for patterns of kumblies made in Kolar and that the same may be forwarded to the Indian Museum at Calcutta as specimens and ~~and~~ as an advertisement. He suggests that the charge may be met from the provision of Rs.150 under XI Miscellaneous- "unforeseen charges" in the current years Budget of the Kolar Municipality.

Considering that the intention is that the merchants themselves should send their wares to the Museum for purposes of Exhibition and advertisement, it is not clear why the Municipality should incur the charge now recommended.

EXPENDITURE.

4. *III. Collection (a) Octroi.*—The increase under this head in the budgets of Sidlaghatta and Chikballapur is due to the provisions made for the whole year instead of for nine months only as in 1900-1901, on account of Octroi establishments. The provisions are approved.
